

CM FORM 2 • Notice by Contracted Marketer to Add or Drop Customers

Instructions: This form is used by Contracted Marketers to officially notify Southern California Gas Company (Utility) of their intent to add or drop Utility customers from their contracted marketer account in accordance with Master Services Contract Schedule B (Form 6597-2) Section 1(B). Complete the information below and attach (on your company's letterhead) a list of customers you are adding or dropping, including the customer's legal name and Order Control Code (OCC). Email completed forms **no later than 5 business days before the first day of the following month** to capacityproducts@socalgas.com

Contracted Marketer:

Marketer Code:

Contracted Marketer hereby notifies Utility of its designation to act as "Contracted Marketer" on behalf of the Customers on the attached list.

Effective start date: the first day of

Month/yr

By its authorized agent signing this form, the Contracted Marketer understands and agrees that its authority to act on behalf of Customer is at all times subject to the applicable terms and conditions of Utility's Tariff Rate Schedules and its contracts with Utility, including, without limitation, Contracted Marketer's ongoing obligation to establish its creditworthiness to act on behalf of parties, including Customer, and the obligation of Customer to send written notice to Utility confirming this designation.

Contracted Marketer and Customer have agreed that this designation may be terminated on the first day of a designated month, by either Contracted Marketer or Customer, each in its sole discretion, by providing a minimum of 5 business days official prior written notice of termination to Utility.
